By Metro: The most convenient way to travel is the subway. The Capital Gallery Building is located at the L'Enfant Plaza Metro Station, which may be reached by using the orange, blue, yellow, or green lines. If you must transfer from the red line, you may do so at Metro Center.

Once you reach the L'Enfant Plaza Station, be sure to use the exit marked 7th and Maryland Avenue, S.W. When you get off the escalator, the building will be directly in front of you. In order to reach the ITS offices, you must walk down the hallway past the Vie de France bakery. The elevators will be on the right.

By Car: If you travel by automobile, the office is between 7th & Independence Avenue and 6th & D Streets, S.W. The parking garage is located directly under the Capital Gallery Building on 6th Street. Take the elevator to the Plaza Level. Walk to the main hallway and turn right. Make another right at the elevators and proceed to the 7th floor.
